How to Play

Word Search: find every word from the list in the grid. Words go across, down, or diagonally. Circle each one, then tick its box!

Mazes: start at the arrow at the top left and find the one path that leads to the exit at the bottom right.

Mini Sudoku: fill the grid with the numbers 1 to 6 so that each row, each column and each bold box has every number exactly once.

Word Scramble: rearrange the letters to spell a word that fits the page's theme. Some answers are two words.

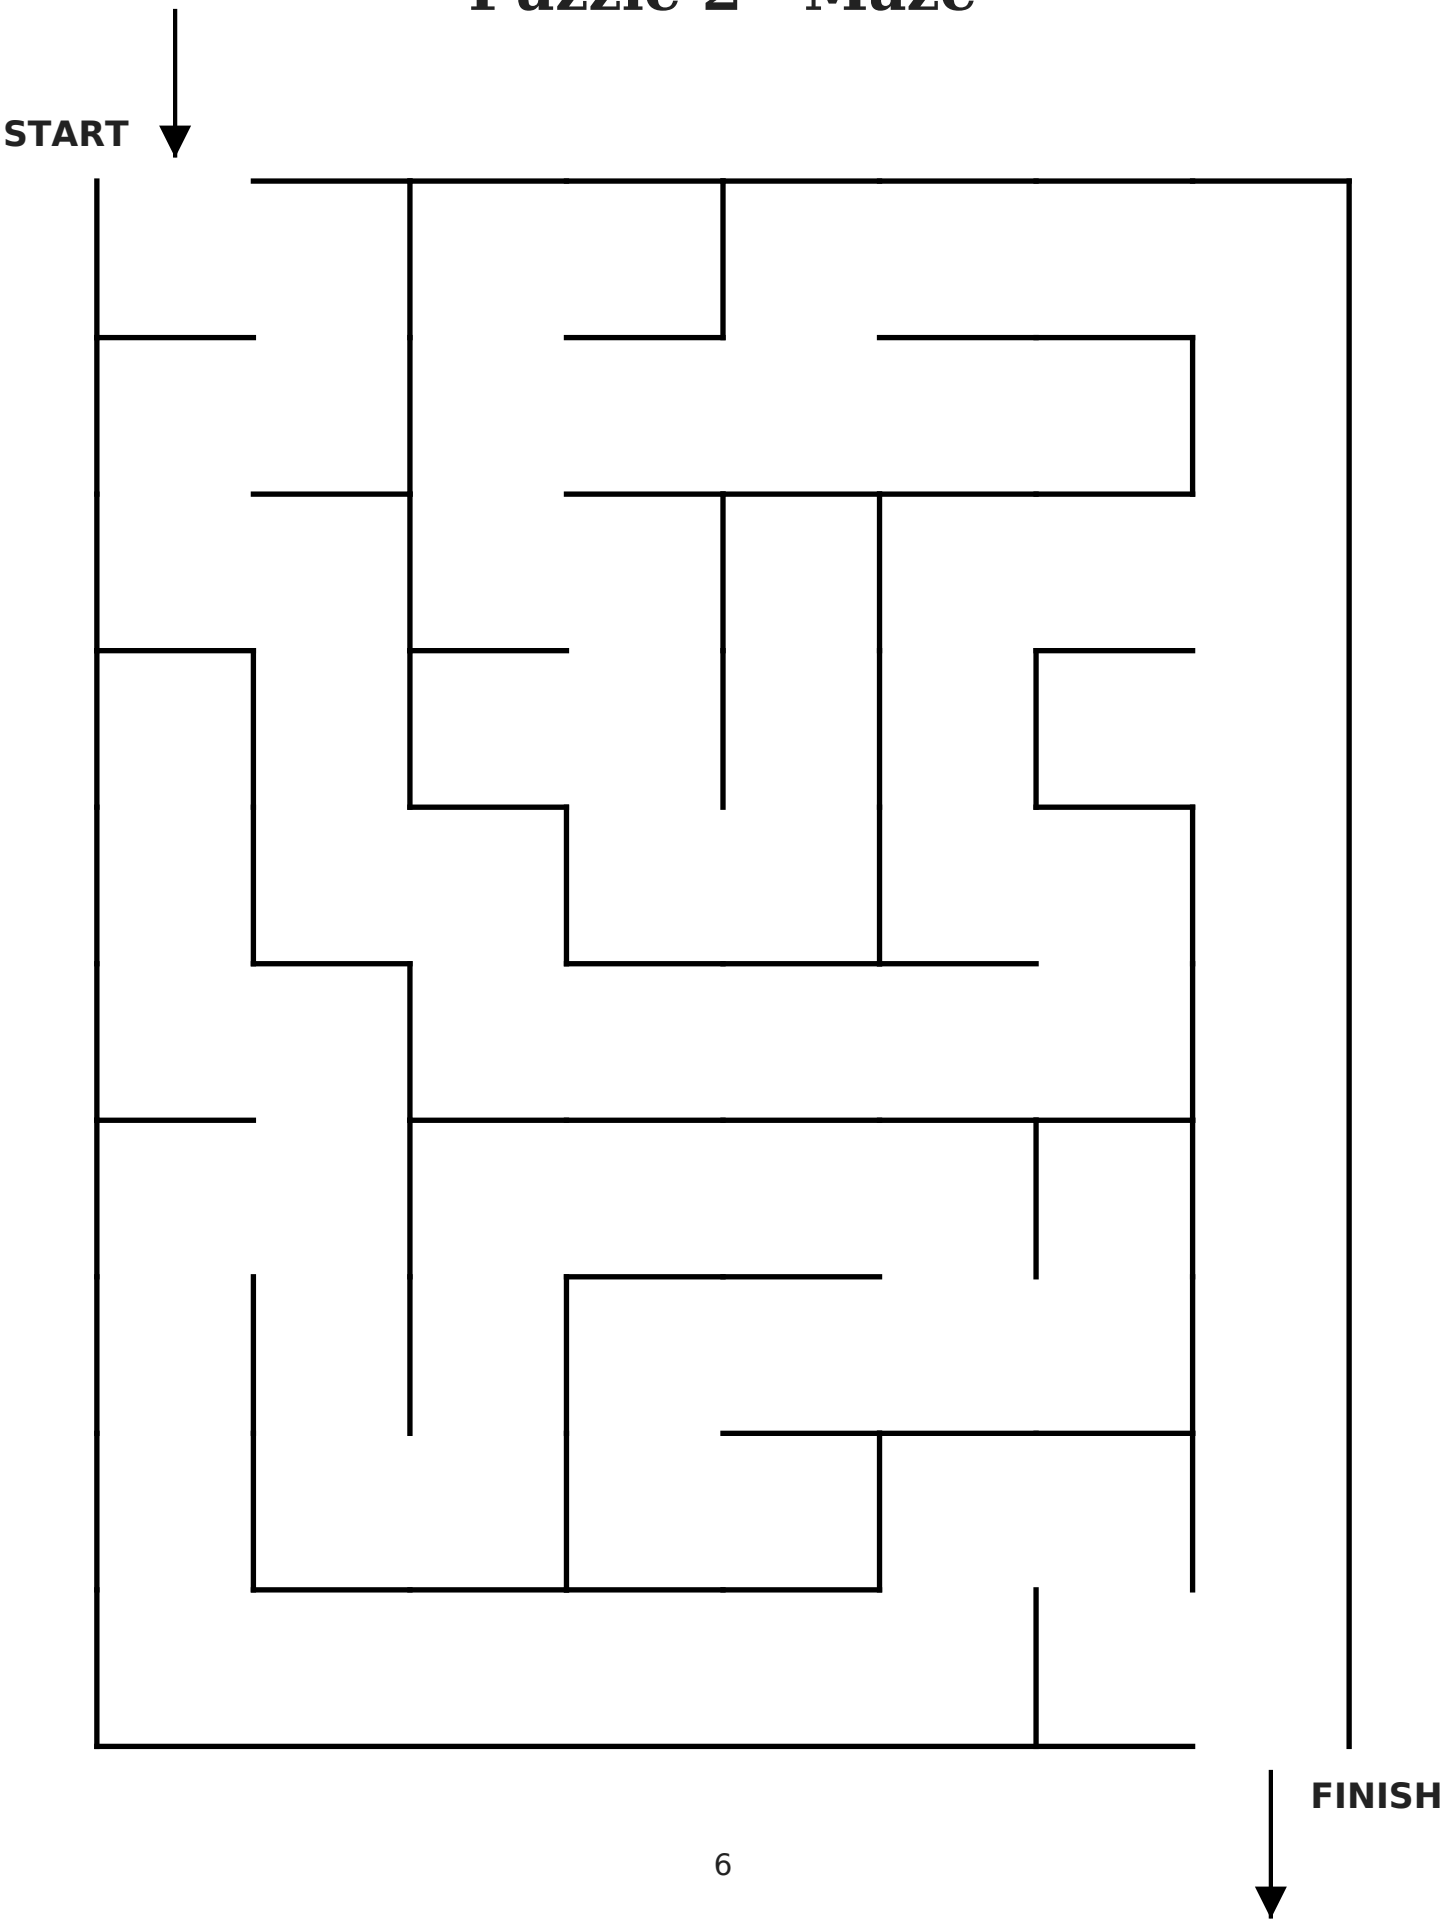

All the answers are at the back of the book.
