How to Play

Each case is a word search with a twist. Find every word in the list: suspects, places, weapons and clues.

Then read the letters you did not use, from left to right and top to bottom. They spell a secret clue that tells you which place the culprit was in.

Match the place to the witness statements to name the culprit. Answers are in the back.

Case 1: The Chess Tournament

A will has vanished from the chess tournament, and a famous critic lies unconscious beside the empty case. Witnesses saw Inspector Moss in the tournament hall. Witnesses saw Signor Vasari in the elevator. Witnesses saw Captain Thornbury in the press room. Witnesses saw Farmer Gristle in the players' lounge.
