How to Use This Book

Hold the pencil gently. Start at the big dot and follow the dashed line.

Go slowly. It's fine to go over the line a little, and practice makes it easier.

Pages go from straight lines to curves, loops, spirals and shapes.

Trace the straight lines

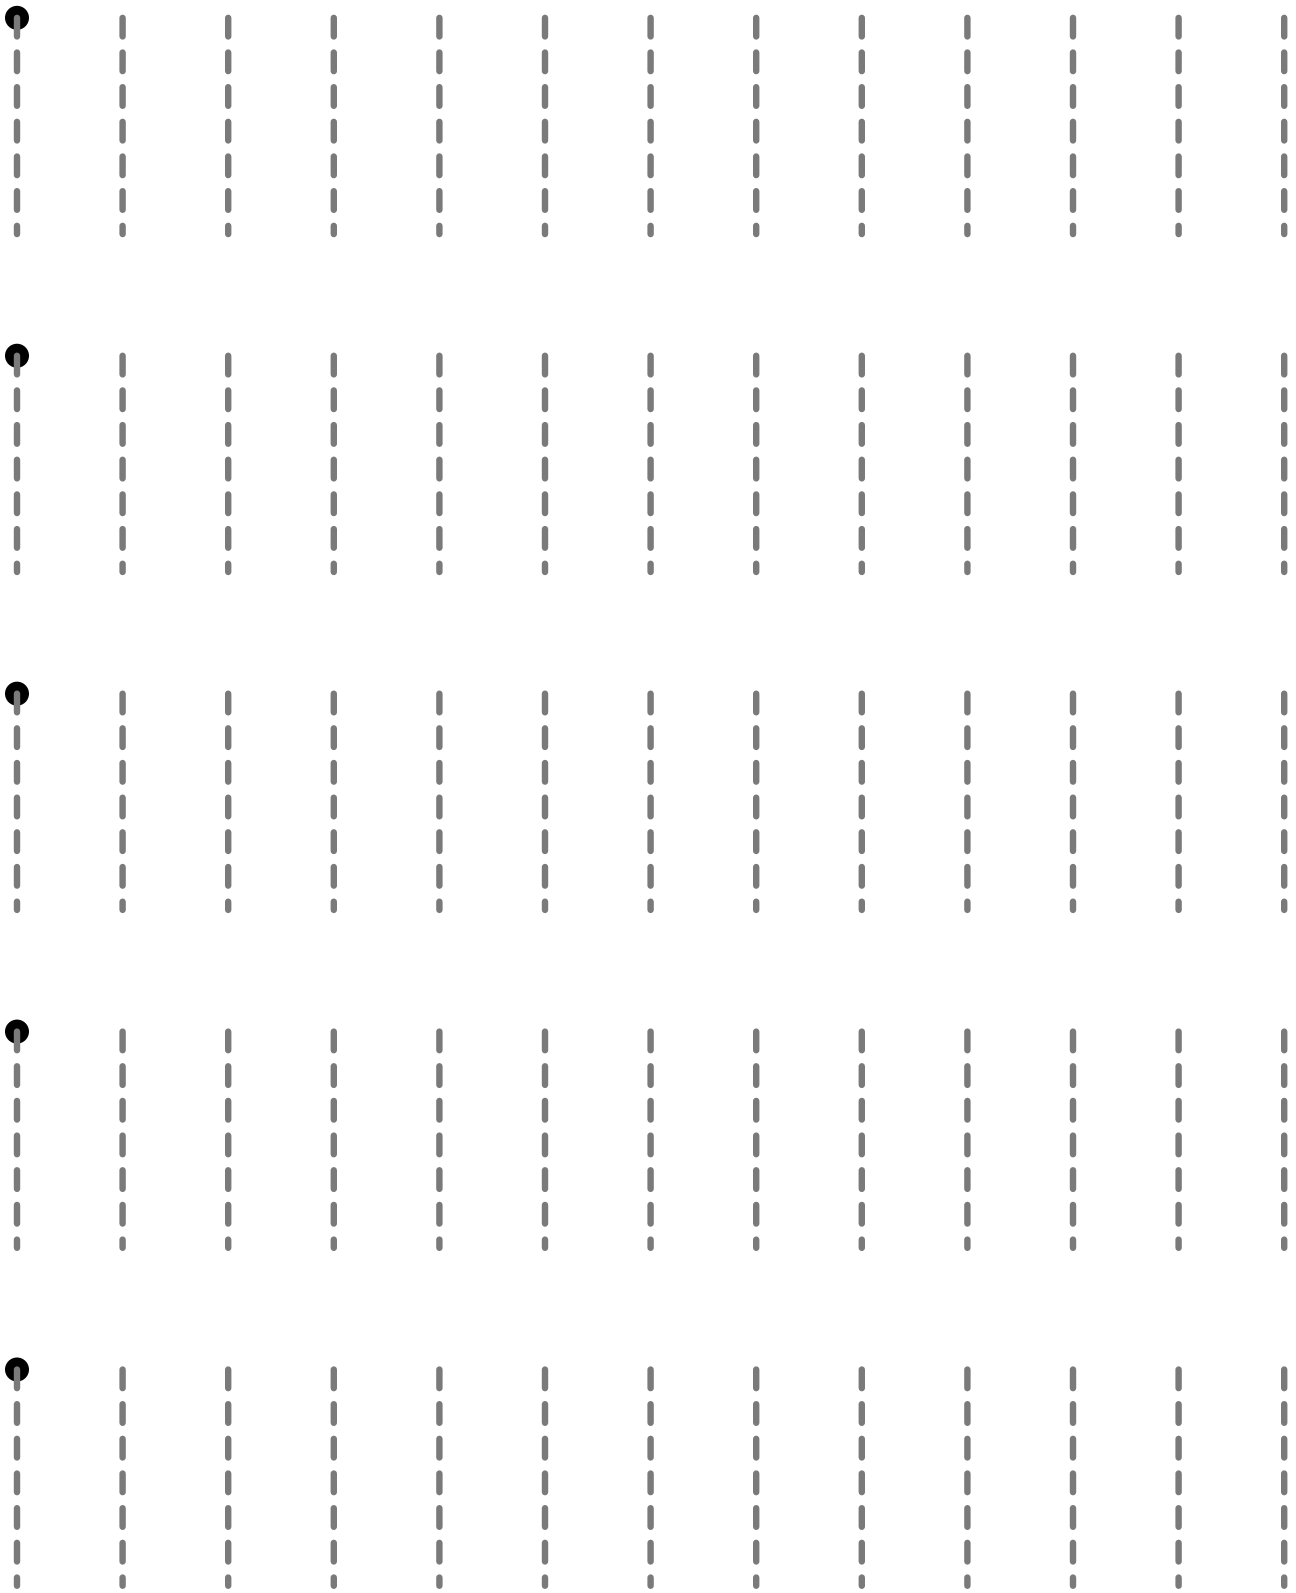

Trace the straight lines

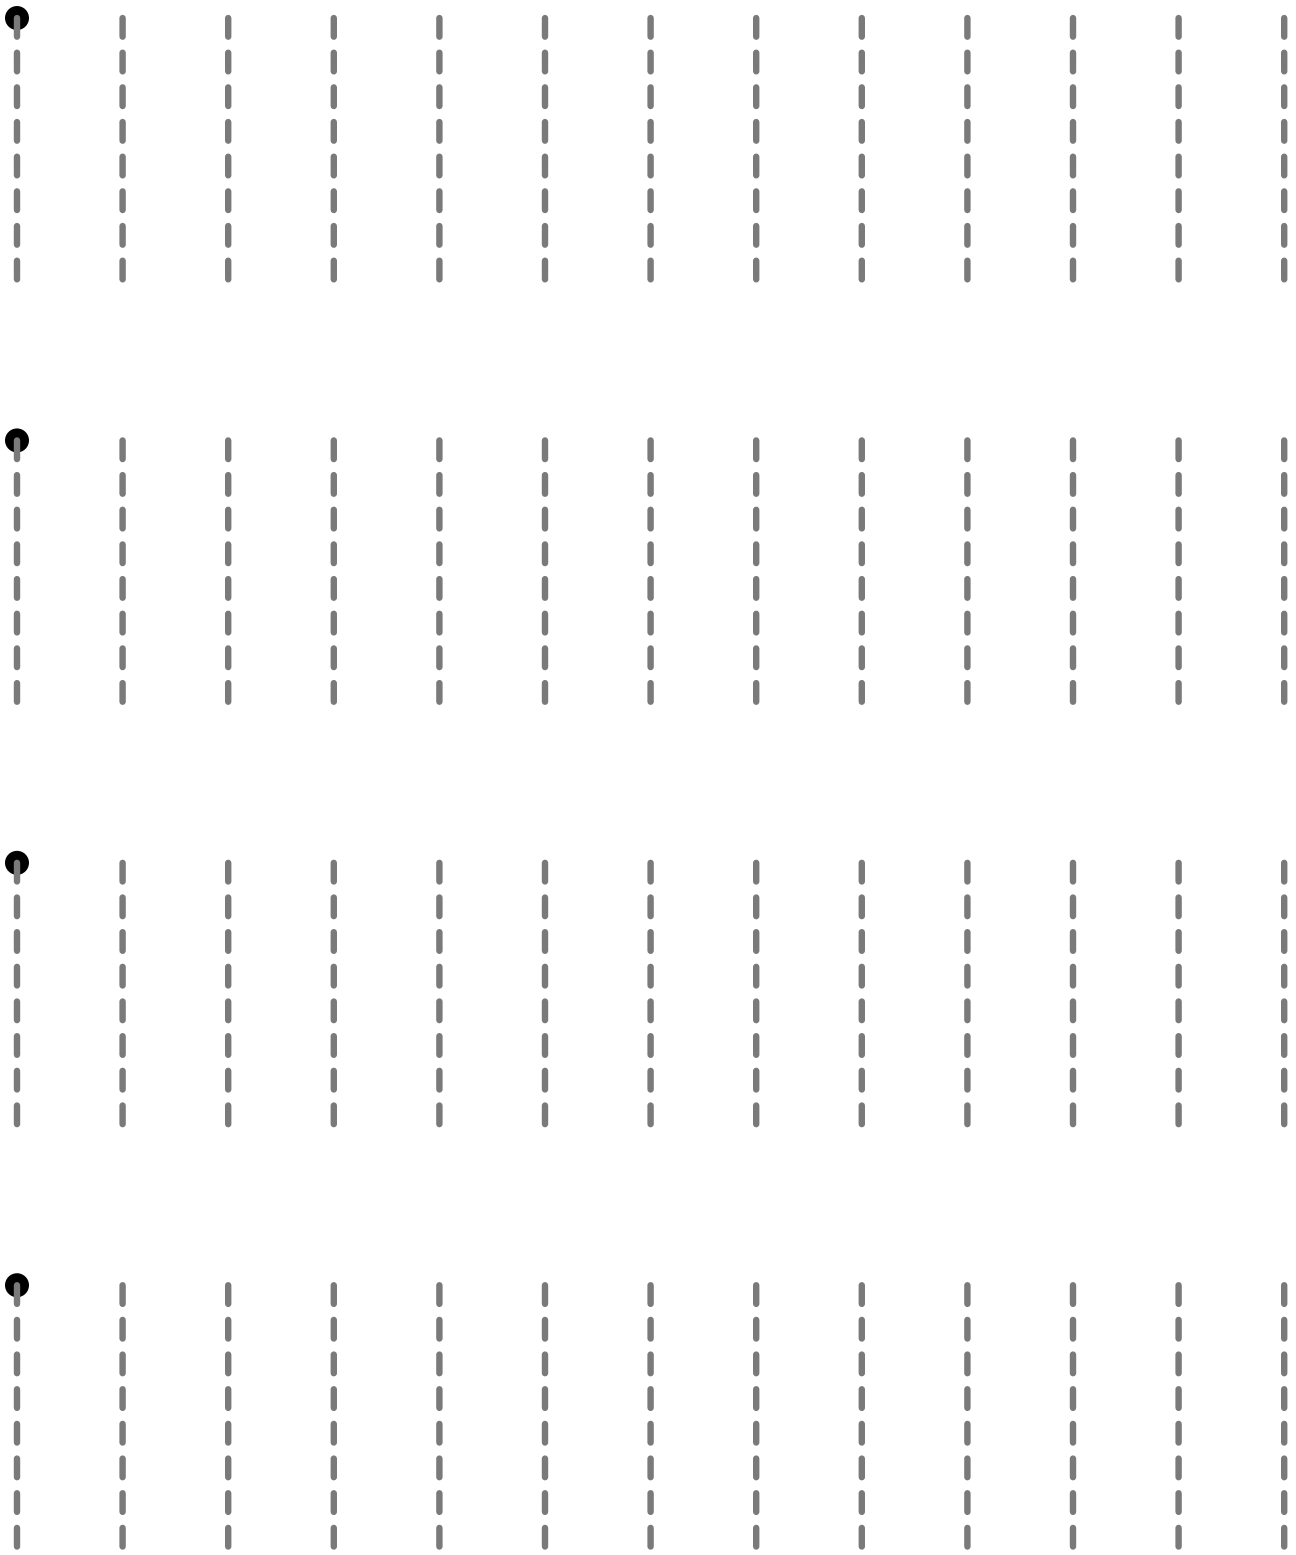

Trace the straight lines

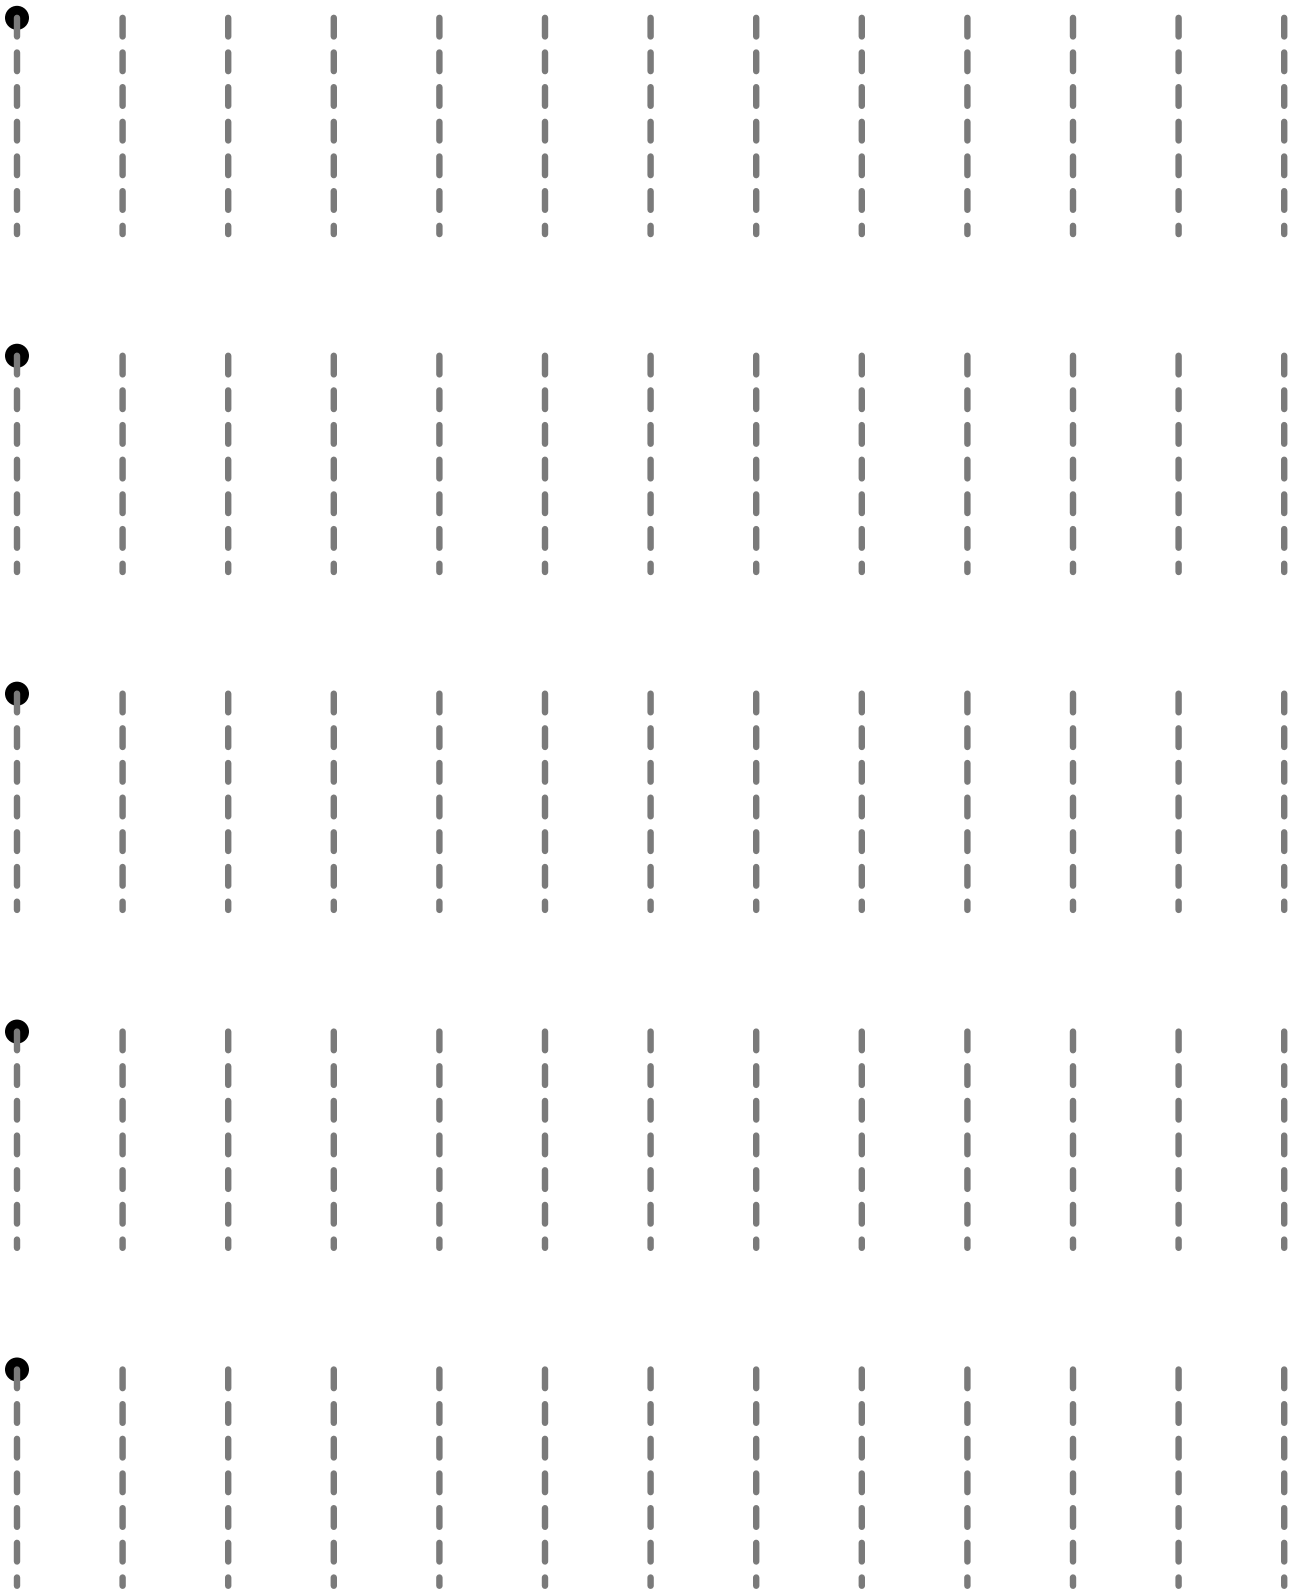

Trace the lines from top to bottom

Trace the lines from top to bottom

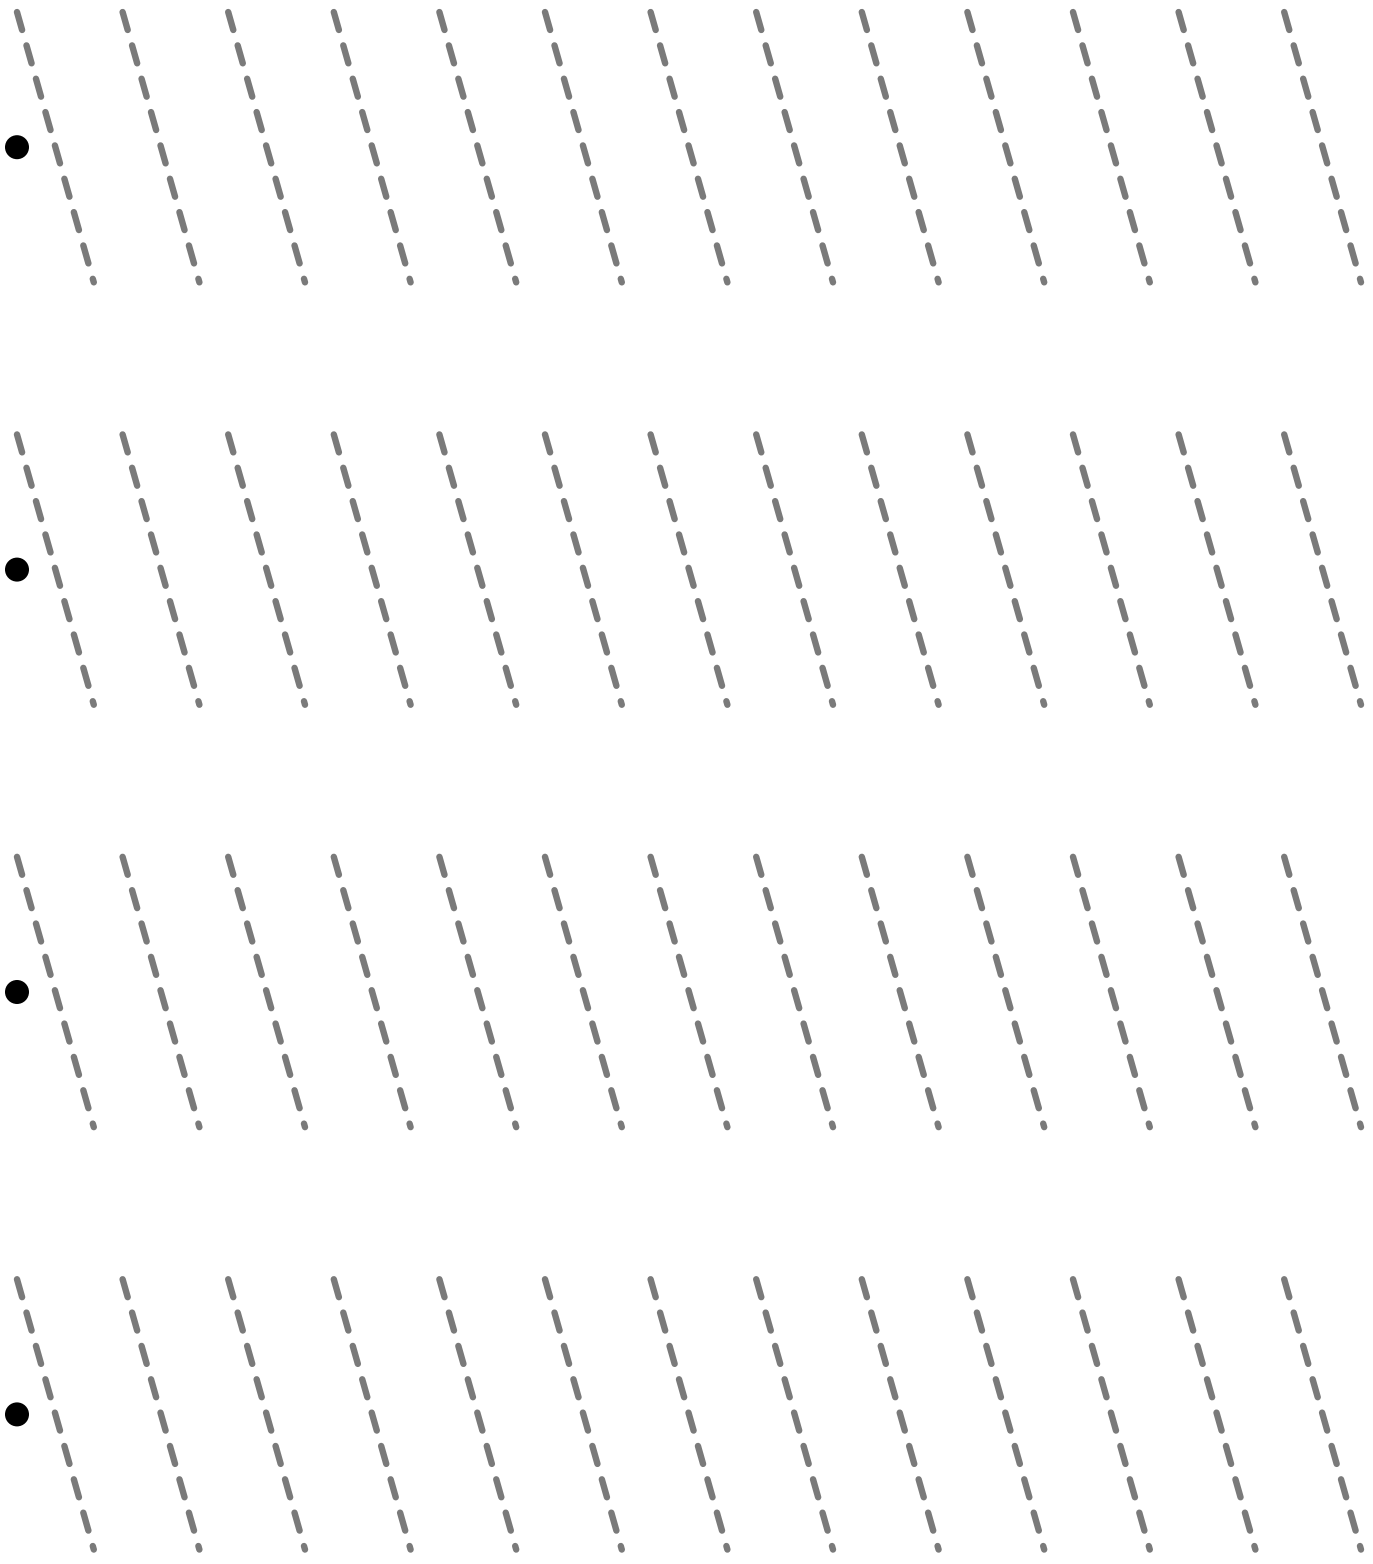

Trace the lines from top to bottom

Trace the slanted lines

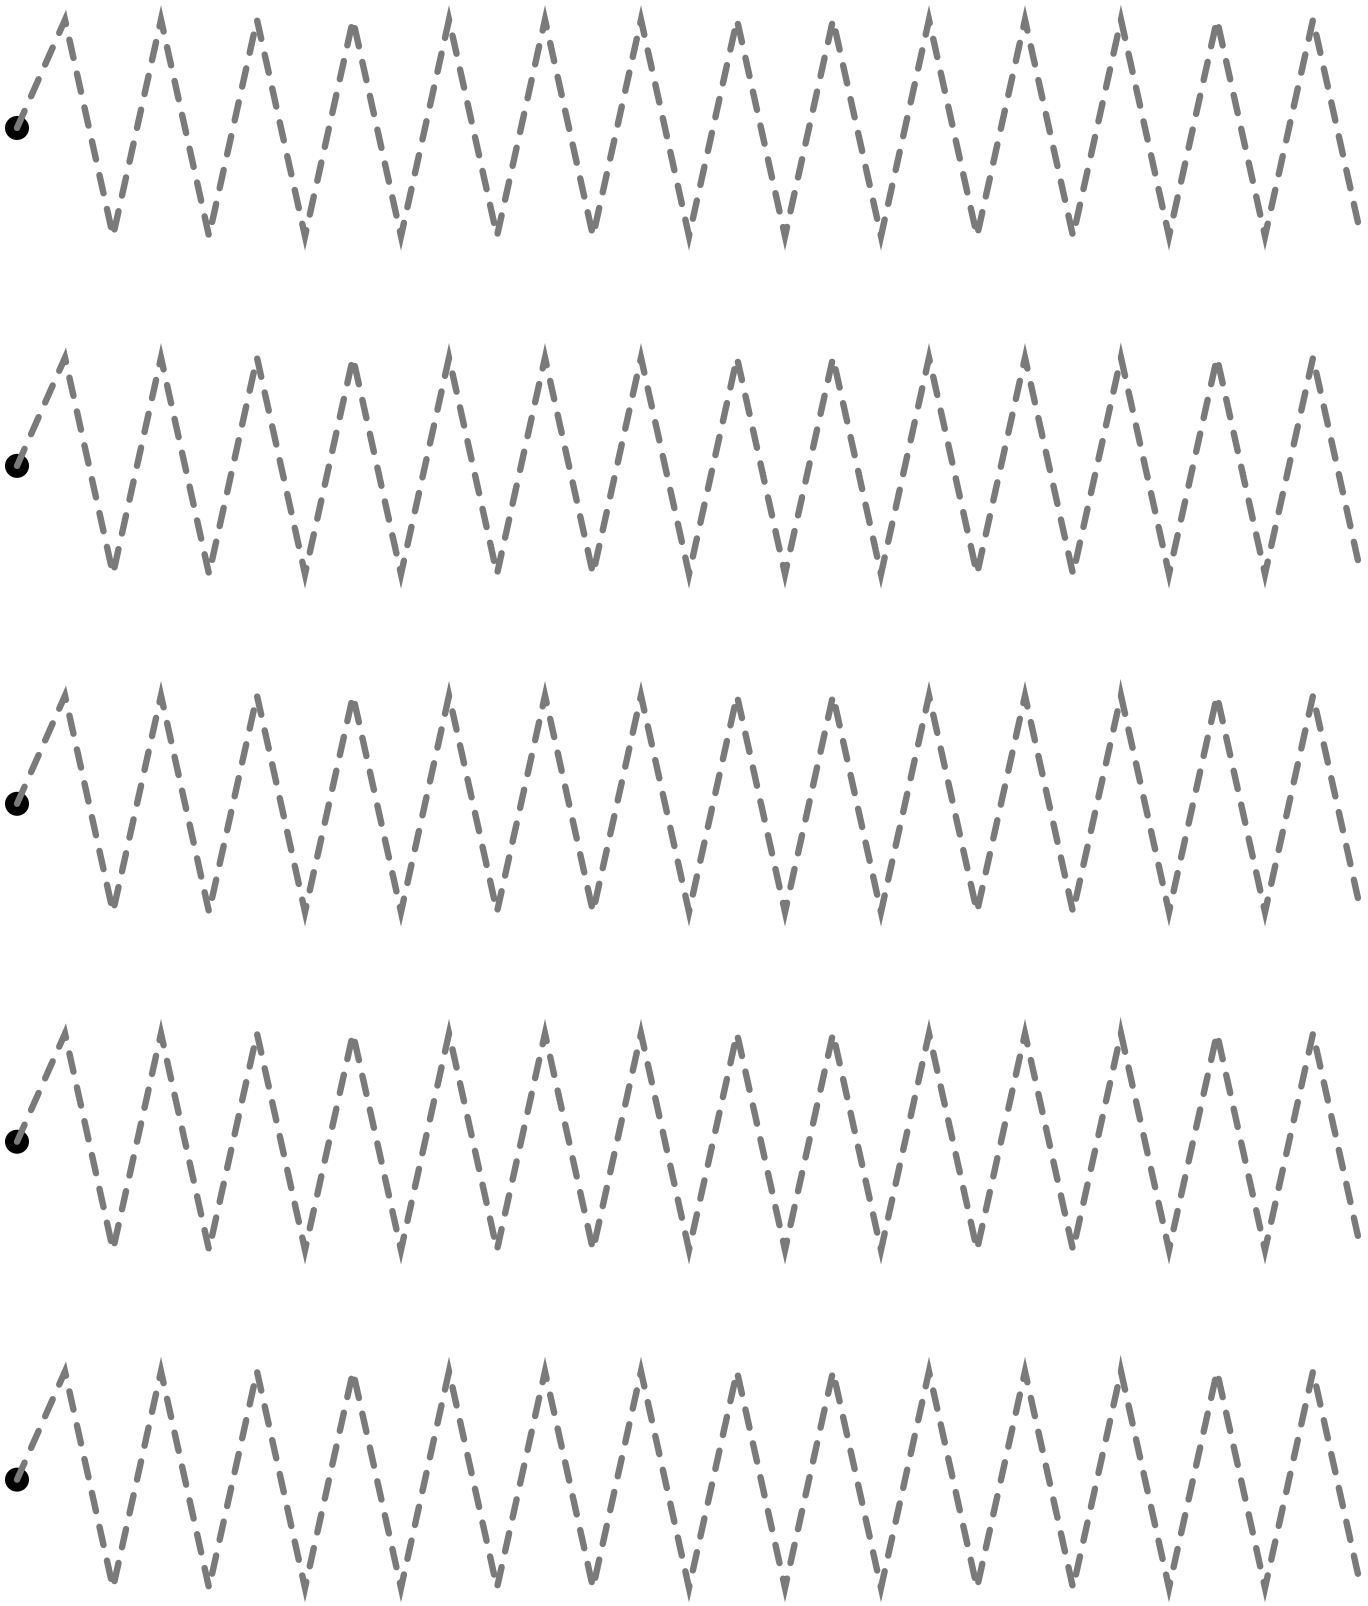

Trace the slanted lines

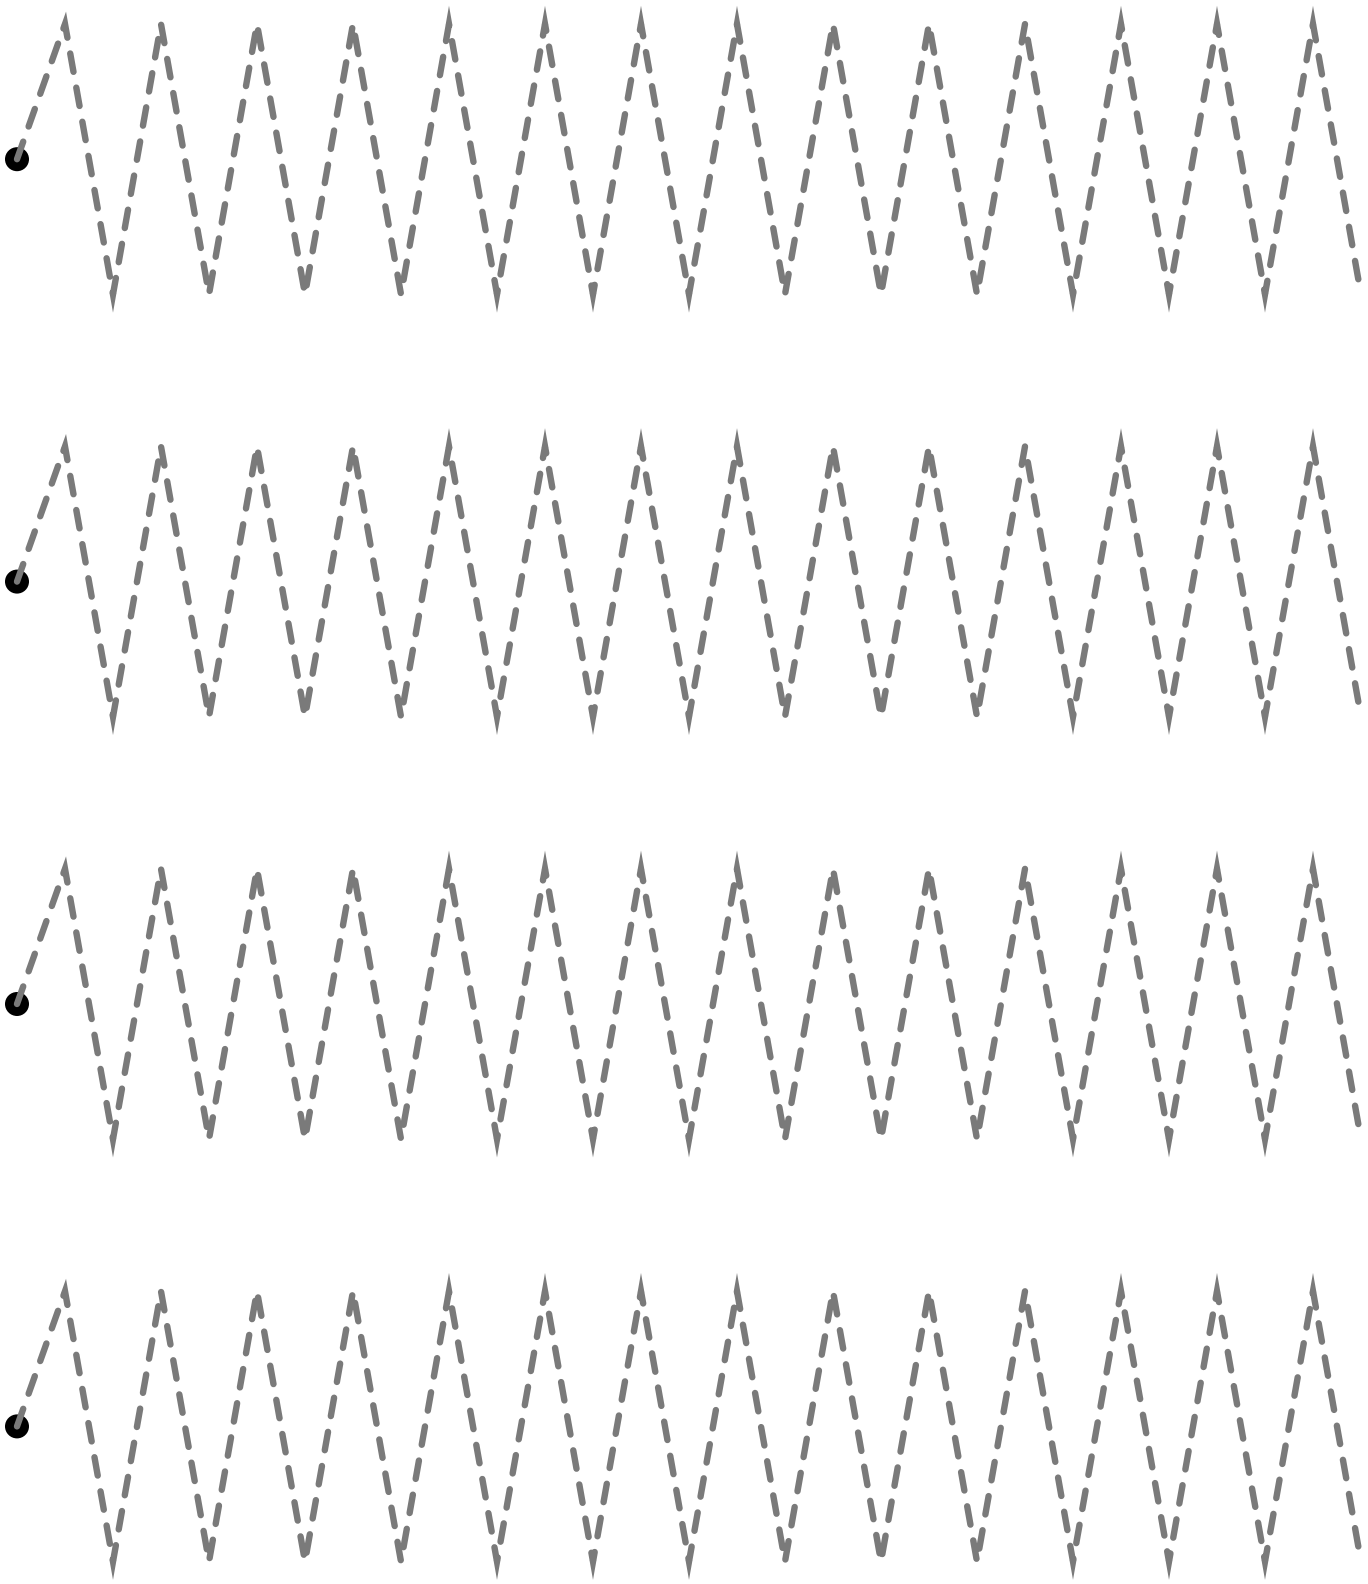

Trace the slanted lines
